## *Terms and Conditions*

**TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

(A) Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

(B) All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

(C) With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

(D) When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

(E) All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

(F) Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

(G) Shipment will be made as soon as released by the International Livestock Exposition, but at purchaser's risk of loss or injury after animal is bid off.

(H) All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

**SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

**BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.**

**INSURANCE:** Coverage may be secured at the time of sale.

Smooth fleshing, modern type and fast gaining ability is exemplified in the young Shorthorn females above.

P M PERFORMER - Is a bull designed and bred to make history for Shorthorn cattle, as an individual he is sound, smooth and a great doer. He weighed over 1,000 lbs at 12 months. Under performance testing in Ohio he graded tops. As a senior calf he was only shown once where he was 2d at Ohio State Fair. This year he was first at Ohio topping the calf that beat him last year. The dam of Performer is the greatest female we have ever bred. She was 2d at the International as a summer yearling and after weaning a calf as a senior yearling she was Reserve Senior Champion at Eastern National and 4th at Chicago. Performer's sire was an excellent son of Calrossie Troubadour whose untimely death cut short a great breeding record. We have great confidence in Performer and have frozen 100 ampules of semen from him that we would like to reserve. Herd books certified and T. B. accredited.

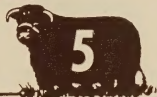

Good Shorthorn bulls will sire calves like these for you too.

P M SILVER - Has been one of our favorites because of his pleasing disposition and excellent type. He has had a good show record - 2d at Ohio as a junior calf, 3d at Ohio as a junior yearling and 1st at Michigan as a junior yearling. A glance at his pedigree would tell you that he should be a good bull. His great grandam was purchased in Greenwood Sale with heifer calf for \$1,450. This heifer calf by Calrossie Crocus Count when bred to Shore Acres Dunrel produced the dam of P M Silver. She is a very pleasing dark roan and is one of our good young cows. If you need a bull to saw off a little leg and add some style and balance this bull should do it. Herd bangs certified and T. B. accredited.

S & T PACEMAKER 10TH - A good, dark roan son of Leveldale Pacemaker and out of a daughter of Leveldale Basis that was the top selling female in the Ben Lake Dispersion. Even though the youngest calf in the Summer Yearling class at the Illinois State Fair, he won his class and went on to be Reserve Junior Champion. It was his breed character, great bone, and strong head, all of which it takes to make a stock bull, that made him a winner. The Leveldale Basis breeding has not been surpassed or equalled as has been proven during the past years at Leveldale Farms. With this breeding, this could be the bull to put some one in the cattle business or to keep someone in business.

June auction to Tempel Farms, Wadsworth, Illinois. Four females out of Calrossie Hyperbole  
(sire of dam) cows averaged \$1900 in the Kickapoo Sale. He also sired the 1958 Perth Supreme  
Champion, Calrossie Fortitude, who sold for \$39,000. Sells Open. Pretested clean and Vacc-

She is from one of our most dependable families. Her dam is a top daughter of Beaufort Bulldozer. We paid Louada \$2,000 for her grandam.

This happens to be the first calf by our present herd sire, Scotsdale Masterpiece - a bull who is doing a great job for us. One of his first sons was Junior Champion at Michigan this year. His Junior-Get was 2d at Ohio and Michigan. This Hilda family has been on the farm for over 30 years and have stood the test of time. Why not try one in your herd? Herd bangs certified and T. B. accredited. Heifer is also calfhood vaccinated.
